Sound

Powerful, **straightforward sound** from the heyday of hard rock, with influences from blues, folk, country, and rock and roll characterizes the Electric Goats. The band with the classic rock formation consists of electric guitar, bass, drums, and vocals. Individual songs are complemented by acoustic guitar and blues harp.

Attitude

Powerful hooks, catchy melodies, emotional vocals. The music of the Electric Goats conveys the loose **Rock´n Roll lifestyle** without rules and conventions. Like real life, the music is sometimes hard and fast, sometimes soft and emotional, always full of surprises.

Live

The Electric Goats are more than an entertainment band. **Powerful performance**, rousing songs, and an original message move the audience to dance, rock and groove. The Goats guarantee at their performances a **night to remember!**

Influences

The musical influences of Electric Goats range from Deep Purple and Led Zeppelin, Aerosmith and Tom Petty, to Bad Company and the early Bon Jovi. Without denying these influences, the Electric Goats supplement their live program by interpreting a few **cover songs** with their own unique rendition.
